**AFFIDAVIT**

I, William N. Poole, having been duly sworn, depose and state:

1. I currently serve as United States Postal Inspector Task Force Officer (TFO) with the United States Postal Inspection Service (USPIS), assigned to the Cincinnati, Ohio Field Office. I have been a Task Force Officer with the United States Postal Inspection Service since September 16, 2022. I have investigative responsibility for southwest Ohio and northern Kentucky. Part of my investigative responsibility involves the use of the United States Mail in the illegal transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.
2. I am a certified Peace Officer by the State of Ohio. I am a Corporal with the Hamilton County Sheriff's Office and have been so employed since 2004. I completed Ohio Peace Officer Training Academy (OPOTA) through the Hamilton County Sheriff's Office in May of 2007. I am currently assigned to the Regional Enforcement Narcotics Unit (RENU) and have been so since July of 2016.
3. In January of 2017, I was selected to serve as a canine handler for RENU. I am currently a certified canine team with my canine partner "Akim." Canine Akim and I are certified as a team by the State of Ohio in the detection of marijuana, cocaine, heroin, methamphetamine, and their derivatives. Canine Akim and I have successfully assisted in the recovery of thousands of pounds of illegal narcotics for both State and Federal law enforcement agencies. I report that "Akim" passed all of his examinations and has successfully located hidden drugs in the past; I therefore consider "Akim" to be reliable.
4. During my tenure with RENU, I have received extensive training in parcel interdiction. I have served as the primary parcel investigator for RENU since 2019. I served as member of the Ohio Organized Crime Investigation Commission (OOCIC) for two years during 2020 through 2022, where my primary responsibility was parcel investigations. By virtue of my involvement in these investigations, I have become familiar with the various means and mechanisms used by narcotics traffickers to import and distribute controlled substances and to remain at large without being detected by law enforcement. I am familiar with the fact that drug traffickers make tremendous profits through drug trafficking and require large amounts of currency to operate surreptitiously. In this regard, I have obtained and executed numerous search warrants pursuant to which I have seized hundreds of pounds of narcotics and thousands of US dollars of ill-gotten gains through various shipping services throughout the Greater Cincinnati Area.
5. This Affidavit is made in support of a search warrant for the following property, namely the package associated with the following United States Postal Service ("USPS") Priority Mail Parcel bearing Tracking Number:

a. **9505 5128 5735 3058 1976 13 (the "Subject Package")**

This Affidavit is made in support of a warrant to search the **Subject Package** for evidence of a crime as well as contraband, fruits of a crime or other items illegally possessed in relation to the following offense:

- a. Possession with Intent to Distribute Controlled Substances, in violation of Title 21, United States Code, § 841.

Because this Affidavit is submitted in support of the application of the United States to search the **Subject Package**, it does not include every fact known concerning this investigation. I have set forth facts and circumstances that I have relied upon to establish probable cause to justify the issuance of a warrant to search the **Subject Package**. The **Subject Package** is currently being held at the USPIS Cincinnati Field Office.

6. Based on my training and experience, I have become aware that drug traffickers frequently use Priority Mail Express and/or Priority Mail, services offered by the USPS, to transport narcotics and other dangerous controlled substances. As a result of investigations and successful controlled substance prosecutions where Priority Mail Express and/or Priority Mail were used, I have learned of certain characteristics associated with other Priority Mail Express and/or Priority Mail items previously identified as containing narcotics or other dangerous controlled substances. Some of these characteristics include (but are not necessarily limited to or used on every occasion): false or non-existent return address, addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity. I am aware that packages containing illegal narcotics can sometimes have correct return address or addressee information. Narcotics traffickers will use legitimate names of residents with or without their permission and knowledge in an attempt to conceal their illegal activities.
7. On or about February 27, 2023, Postal Inspectors identified and intercepted the **Subject Package** from the Los Angeles Processing and Distribution Center. The package was sent to the Cincinnati Postal Inspection Service Office located within the Southern District of Ohio. If the Subject Package was not intercepted by Los Angeles Postal Inspection Service employees, the normal flow of the U.S. Mail would have brought the **Subject Parcel** into the Southern District of Ohio for delivery.

The **Subject Package** is further described as:

**Priority Mail Parcel bearing Tracking Number: 9505 5128 5735 3058 1976 13**

Weighing approximately 3 pounds 5.20 ounces in USPS Flat Rate Box. Postage paid was \$22.80.

**Sender:** DANIEL CASTILLO  
4302 RUSSELL  
LOS ANGELES, CA  
90027

**Addressee:** TASHA BANKS  
1616 PULTE ST  
CINCINNATI  
OHIO  
45225

8. I observed the **Subject Package** and reviewed USPS tracking information, which indicated it was mailed on February 27, 2023, at 12:46 pm (PST) from the Los Feliz Post Office located at 1825 N. Vermont Ave Los Angeles, California 90027-9998.

9. I searched the Accurant Virtual Crime Center database for the listed return address of the **Subject Package**. Accurant Virtual Crime Center is an investigative platform available to law enforcement and other government investigators that contains public-record data about people and businesses. The information obtained from the system indicated that Daniel Castillo is not associated with the address.
10. I searched the Accurant Virtual Crime Center database for the listed addressee of the **Subject Package**. The information obtained from the system indicated Tasha Banks is not associated with the address.
11. On or about March 6, 2023, Postal Inspector(s) placed the **Subject Package** in a location within the USPI's Cincinnati Field Office unknown to me. The **Subject Package** was placed in the office among several other similar packages. I retrieved my narcotics detection canine "Akim." "Akim" alerted positively to the presence or odor of a controlled substance upon the **Subject Package**. Attached to this Affidavit, and incorporated by reference, is a photocopy of the narcotic canine handler's record of examination.
12. Based upon my experience and training, this information, along with the positive alert of narcotic canine "Akim," is indicative of the **Subject Package** containing narcotics or proceeds relating thereof.
13. Based upon the information contained in this Affidavit, I believe that there is probable cause to believe that the **Subject Package** will contain evidence and/or contraband, fruits of crime, or other items illegally possessed. Therefore, a search warrant to open the **Subject Package** is requested.

Further, your Affiant sayeth naught.
